

# XCHANGE CHICAGO

Offers a dynamic new business model -- one that creates more powerful opportunity for diverse talent, commercial growth and community impact.

## IT Delivery Transformation

Chicago's anchor companies spend \$40B per year on 3rd party IT services. Most of those dollars leave the local economy.

Through XCHANGE these same companies leverage local, diverse suppliers, while creating thousands of jobs on Chicago's South and West Sides.

## Founding Partners

### SDI PRESENCE
